## INDEPENDENT AUDITOR'S REPORT

To the Executive Director (ED)  
Socio Economic Backing Association (SEBA)  
Consolidated Financial Statements

Report on the Audit of the Financial Statements

### Qualified Opinion

We have audited the Consolidated financial statements of Socio Economic Backing Association (SEBA) which comprise the Consolidated Statement of Financial Position as at 30 June 2024, and Consolidated Statement of Comprehensive Income, Consolidated Statement of Receipts and Payments, Consolidated Statement of Cash Flows and Consolidated Statement of Changes in Equity and a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Program as at 30 June, 2024, and of its financial performance and its receipts and payments for the year then ended in accordance with accounting policies as explained in note 4.

### Basis for Qualified Opinion

The organization has not made provision for income tax during the year ignoring the provision of Income Tax Act 2023 and IAS 12.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the NGO in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), and fulfilled our ethical responsibilities in accordance with the IESBA Code and the Institute of Chartered Accountants of Bangladesh Bye Laws. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our Qualified opinion.

### Responsibilities of management and those charged with governance for the financial statements and internal controls:

Management is responsible for the preparation and fair presentation of the financial statements that give a true and fair view in accordance with accounting policies as explained in note 4, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Program's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to cease operations of the Fund or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Program's financial reporting process.

### Auditor's responsibilities for the audit of the financial statements:

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

### Independent Auditors' Report:

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Program's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Program to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### Report on other matters:

We also report the following:

- We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and made due verification thereof;
- In our opinion, proper books of account as required by law have been kept by the Program so far as it appeared from our examination of these books; and
- The Statement of Financial Position and Statement of Comprehensive Income dealt with by the report are in agreement with the books of account.
